## Confirmation of Participation

To whom it may concern,

This is to confirm that **Jan Hlavsa**, currently enrolled at *TU Prague*, took part in ETH's Student Summer Research Fellowship Programme 2026 during the period of 1 July – 27 August 2026, offered by the Department of Computer Science at ETH Zurich. Jan Hlavsa was chosen as one of 20 students among over 2,500 applicants.

The programme offers fellows the opportunity to pursue a research project that aligns with a chosen area of their interest as part of a research group in our department. During this period, Jan Hlavsa was supervised by Prof. Marc Pollefeys. More information about the fellowship programme can be found at [www.inf.ethz.ch/ssrf](http://www.inf.ethz.ch/ssrf).
